My company Starting Pros Inc placed top secret classified personnel in different positions and Divisions within the State Dept. My company was paid except for certain invoices from 1993-04 in two divisions. I paid the employees timely & the with holding taxes. The one Division overlooked invoices for one person who worked there for a long period of time. I called 3 yrs ago that the one Division found the invoices & was starting process of payments.

17. House(s) of Congress and Federal agencies contacted Check if None

I had to talk & lobby the executive officers to start process. This period I lobbied Contracting Officials since after numerous letters and calls, the invoices ended up contracting for a Budget. I helped with that. I then called Ms Reed, Dept of Contracting, in Reg who handled the original contract & to the last Contracting office to assist with a budget.
