RE: Federal Lobby Reporting

Along with my year end reports, I have enclosed another set of mid year reports. It is my understanding that you still do not have them on file. I was under the impression they were filed electronically. When it was brought to my attention that they had not been received I called an office and spoke to someone named Erica who would look into this and get back to me. I received one phone call informing me they were still looking into this matter. I then proceeded to leave more than several voice mails for this same person and never heard back.

This morning I spoke to a very pleasant and helpful gentleman who suggested I submit another set of reports. He explained that this needed to be done along with the electronic filings anyway. I hope this completes our file and brings us to date.

Thank you,

Deborah L. Koob
