cc: Secretary of the Senate

Dear Mr. Pingeton:

Thank you for returning my call today. As we discussed I have been having a great deal of difficulty filing my Lobbying Registration form for two reasons: 1) My Macintosh computer has caused some trouble processing the form and, 2) it has proven very difficult to acquire an electronic signature from the IdenTrust company. They were not processing the paper work because they were unable to confirm my home phone number. I think I have finally worked out that issue with IdenTrust, but I won't know for a few days when they received my latest correspondence.

In the mean time you were kind enough to allow me to send in a paper copy of my application with the understanding that once I received my electronic signature I could file the form electronically. Kimberly Lucero in your office has been quit helpful on the technical side so I will let her know if I have any other issues with my computer problems.

Please be in touch if you have any questions of me.

Sincerely,

Timothy E. Leshan
