Re: Lobbyist Registration #317231-12
Client – Deborah Peterson

Dear Sir or Madam:

At the time I filed the Lobbyist Disclosure Statement I was advised by your office that I need only file once although I was representing more than 800 persons who were victims of international terrorism. I therefore filed listing Deborah Peterson, the first client whose name appears on the litigation filed in the United States District Court For The District Of Columbia. It would appear to me that to make your records complete you need the names of the persons represented other than Mrs. Peterson. Attached to this communication please find a list containing the names of all of the additional persons represented. I shall assume in the absence of communication from your office that it is not necessary to amend the Lobbyist Disclosure Statement or take any further action.

Please contact me at the above number if you need additional information. I thank you for your courtesy and assistance on this matter.

Respectfully,

Thomas Fortune Fay
