To Whom It May Concern:

Regretfully, I have tried and failed repeatedly to file my Lobbying Forms electronically.

My computer is in compliance with the requirements listed in the *E Filing Process* on your website and I have secured my Digital Signature and ensured that it does reside in my computer.

I can access the forms and fill in the information, save the form, etc. However, when we try to file we are unsuccessful.

Further, the forms I have enclosed consist of 9 pages, only 7 of which I needed. I don't know how I got the last two but was reluctant to exclude them from this mailing since the forms indicate there should be 9 pages. Sorry.

We have our computer support company working on this and the people in your Resource Center have been most kind and helpful. But, as yet we cannot identify the problem.

We felt it unwise to wait any longer to get our forms filed, therefore, it is with our apologies that we send them via messenger.

We will continue to work with our computer people – and likely seek additional help from you – to rectify this problem.

Sincerely,

Franki K. Stuntz  
Chief Administrative Officer
