To Whom it may be of concern:

The mid-year 2003 Lobbying Report for ITT Industries is hereby amended to correct the single and inadvertent omission contained on page five of the original report. No other corrections were made in the report.

The correction clarifies that lobbying on the Asbestos reform issue was done in both the U.S. House and Senate. We thank you for the opportunity to bring our most recent and semi-annual lobbying report into compliance.

Sincerely,

William A. Syers
Director, Congressional Relations
