To Whom It May Concern:

Re: US Virgin Islands, filing year 2002, Year-End Termination **12868 - 133**  
**AMDT.**

While we are aware that the termination date (3/1/02) does not occur during the normal reporting period (7/1/02-12/31/02), we kept our lobby registration active in hopes of retaining the client in late 2002 for other legislative issues. This did not occur; thus, the real and effective date of termination of our work on behalf of the US Virgin Islands was 3/1/2002.

Please feel free to phone me with any questions or concerns.
