Subject: Lobbying Reports for Avalence Ltd and Gas Equipment Engineering
Corporation, 2006

The objectives of this memorandum to you are:

- a. Get the reports to you without further delay.
- b. Inform you that we are getting our ability to submit future reports electronically as you have directed.

Thanks to some outstanding help from your staff assistants, we are about ready to have the equipment (Macintosh) and digital signature problems solved. Just learned that since February the Adobe format is not acceptable, but we now have the Microsoft format download site identified.

I have set 30 June as a time objective when we will be full compliant. In the meantime, we are applying for a digital signature arrangement with a local contractor. When we are up and running (hopefully soon) we will send the enclosed Reports to you electronically, visit your respective offices to see if our reports were received with no problems, and/or correct the problems experienced by your Staff.

Thank you for your patience.

Sincerely,

Edward C. O'Connor
Pres/CEO
