Dear Ms. Gavin:

This responds to your letters of April 11, 2005, concerning the year end termination reports for the Federation of State Medical Boards (ID: 23747-191) and ADVAMED (ID 23747-202).

The termination dates for both accounts were reported as January 31, 2005, one month after the close of the lobbying reporting period ending December 31, 2004. The lobbying reports were not filed until February, after the termination of the accounts. Our reporting of lobbying income and issue activity includes all funds received and activities undertaken for these two organizations through the termination date of January 31, 2005.

Please let me know if you need any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Randolph B. Fenninger", with a long, sweeping underline that extends to the right.
