To Whom It May Concern:

The enclosed lobbying report filing, required under the Lobbying Disclosure Act of 1995, for the American Councils for International Education: ACTR/ACCELS is regrettably but unavoidably f for the midyear filing period in 2000. Two events contributed to this tardy filing: an internal offi which has created some disorganization with the government relations division and my summer v which ended on the due date for this report. I accept full responsibility for the late filing, and trus delay will not be considered a material violation of the disclosure act's reporting requirements.

Sincerely,

Carl A. Herrin
Director of Government Relations
