#16 - HCR

Managed Care Reform (S 1052, HR 2563) working toward patient protections for enrollees in managed care plans. APMA's focus is on the issues of point of service, elimination of discrimination toward licensed health care providers by managed care plans and the membership internal/external review panels.

The "Health Care Antitrust Improvements Act of 2002" (HR 3897) - health care professionals in small and solo practices would be able to jointly negotiate with health plans without fear of violating antitrust laws.

The "Help Efficient Accessible, Low-Cost, Timely Health Care Act" or HEALTH (HR 4600) was recently introduced in response to the growing medical liability problem in the states.

The Health Care Safety Net Amendments of 2001 (S1281) five-year reauthorization include the National Health Service Corps (NHSC) scholarship and loan repayment programs for podiatrists.

The Patient and Physician Safety and Protection Act of 2001 (HR 3236, S2614) to reduce the work hours and increase the supervision of resident-physicians to ensure the safety of patients and resident-physicians themselves, creating regulations similar to those that limit working hours for truck drivers and airline pilots.

The Health Care Access Improvement Act (S 569, HR 2249) would provide a tax credit for primary health care providers who establish practices in underserved areas.

FY 2002 Appropriations for Labor, HHS and Education focused on funding for CDC's Diabetes Translation program.

The Medicare Modernization and Prescription Drug Act of 2002 (HR 4954) which included a revision for updates for physicians' services for 2003 through 2005.

Medicare Physician Payment Fairness Act of 2001 (S 1707, HR 3351) and the portion of the House Medicare drug bill (H.R. 4954) would change the physician Medicare fee update formula in current law.

Medicare Education and Regulatory Fairness Act of 2001 (HR 868) and Medicare Regulatory Reform (S 1738) to require clarification of Medicare regulations to ensure that health care providers understand their regulatory responsibilities and receive fair treatment from HCFA/CMS.

The "Medicare Beneficiary Freedom to Contract Act of 2002" (HR 4702) would remove the stipulation that disallows physicians from participating in Medicare for two years if they engage in any private contracting with a Medicare beneficiary.

The "Medicare Equal Access to Care Act of 2002" (HR 4752) introduced to prohibit physicians from charging Medicare beneficiaries "membership" or "access" fees as a condition of receiving treatment and billing Medicare for their services. The proposal would disqualify physicians who require the payment of such fees from billing Medicare for two years.

The "Medicare Patient Access to Physical Therapists Act of 2001" (S 2386, HR 3363) propose to allow physical therapists to "diagnose, evaluate and treat Medicare beneficiaries without a requirement for a physician referral".

The "Medicare Hospital Outpatient Department Fair Payment Act of 2002" (S 2547) would require Medicare to help hospitals with the rising costs of providing outpatient services for Medicare beneficiaries by paying at least 90 percent of the cost to provide outpatient services.

Regulatory Activity – Contact with HCFA/CMS on issues affecting the practice of podiatry and the provision of podiatry services to Medicare beneficiaries.
