**HR 2590, Treasury & General Government Appropriations Act,**

**B&A helped Eli Lilly obtain appropriate language in HR 2590 relating to the Department of Veterans Affairs guidelines for schizophrenia. The House bill prohibits the VA from implementing a new schizophrenia treatment guideline that requires veterans to "fail first" on other less costly medications before having access to some of atypical antipsychotic medications. This language ensures that data from the \$40 million study being administered by the National Institute of Mental Health (NIMH) on the appropriate use as well as safety and efficacy of these drugs be taken into consideration prior to any coverage policy decisions. We also worked hard on getting the Senate to agree to the House language and to keep that language in the VA-HUD Conference Report. Contact was made with VA Secretary Robert Principi.**
