H.R. 3433 (T. Davis, R-VA), "Terrorist Response Tax Exemption Act," would exempt the income of uniformed rescue personnel in declared "terrorist attack zones" from income tax during the months in which they perform their duties in response to such attacks, mirroring current law giving military personnel tax relief while serving in a combat zone. H.R. 4796, Green (D-TX), eliminates the ten percent (10%) early withdrawal penalty for public safety employees participating in Deferred Retirement Option Plans (DROP). S. 611 (Mikulski, D-MD), the "Government Pension Offset Reform Act," would address the "Government Pension Offset" provision in the Social Security Act and amend the level of reductions in Social Security benefits which are required in the case of spouses and surviving spouses who are also receiving certain government pensions. S. 742 (Grassley, R-IA), the "Retirement Security and Savings Act," would expand coverage and increase the portability of public pension and retirement plans. S. 1446 (Allen, R-VA), the "Terrorist Response Tax Exemption Act," would exempt the income of uniformed rescue personnel in declared "terrorist attack zones" from income tax during the months in which they perform their duties in response to such attacks, mirroring current law giving military personnel tax relief while serving in a combat zone. S. 1523 (Feinstein, D-CA), the "Social Security Fairness Act," would repeal both the "Windfall Elimination Provision" and the "Government Pension Offset" in current Social Security Law. S. 1653 (Schumer, D-NY), the "September 11 Surviving Spouse Student Loan Relief Act," would direct the Secretary of Education to cancel the Federal student loan indebtedness of spouses of individuals who died or who became permanently and totally disabled from injuries suffered in the terrorist attacks on September 11, 2001.
