Re: Lobbying Disclosure Act Report for Lockheed Martin Corporation

Enclosed is our Lobbying Report for the July - December 2006 reporting period. We learned last week our Lockheed Martin representative with the electronic signature license (David Christenson) has retired. I have been selected to replace Mr. Christenson and will be signing current and future Lobbying Reports for the Corporation. I am applying for the electronic signature license, but will not have the electronic signature in time for our current filing.

At the direction of Steve Pingeton (Clerk of the House of Representatives), we are filing the hard copy enclosed, and will follow up with an electronic copy as soon as we receive the electronic signature license.

Sincerely,

Gregory R. Dahlberg  
Vice President  
Legislative Affairs
