Mr. Gary Sisco, Secretary
Office of the Secretary
United States Senate
232 Hart Building
Washington, DC 20510-7116

Dear Mr. Sisco:

This letter is in response to your letter dated October 1, 1999 (Re: ASSN OF MISSOURI ELECTRIC COOPERATIVES (ID: 4642-12) Filing Year: 1999; Period/Type: MID-YEAR REPORT). I submit this letter to indicate that the organization (Association of Missouri Electric Cooperatives) does not need to amend the report and that termination is not necessary at this time.

A majority of the issues, bills or agencies listed in the 1999 Mid-Year Report were in the nature of monitoring. Though an extensive list, not much time or resources were used to monitor these activities. Also, a majority of the contacts that were made, were made by telephone or mail and not by personal visits to Washington, DC.

It is the intention of the Association of Missouri Electric Cooperatives to be accurate, complete and timely in its required compliance with the Lobbying Disclosure Act of 1995.

Please contact me if I can provide more information.

Sincerely,

Randy Tyree
