**NOTE:** Wash. Office/staff numbers were calculated as follows: Expenses came from monthly expense statements. Salaries and benefits were calculated by ConocoPhillips' Payroll, based upon the number of hours submitted by each registered lobbyist as having lobbying related activities. The hours listed were the total submitted to COP Tax on a quarterly basis for lobbyist non-deductibility under the tax statute. As a safety net, all rent is included and 75% of the total is reported, which more than compensates for the associated activities of support staff and other infrastructure dedicated to lobbying.
