Lobbying Report Addendum for Item 19
Issue Areas TAX and TRD

19. For registrants identifying foreign entities in the Lobbying Registration (Form LD-1, line 14) or any updates: Interest of each such foreign entity in the specific lobbying issues listed on line 16 above

Regarding Lines 14(a) and 14(b) of Form LD-1: None. Regarding Line 14(c) of Form LD-1, the term "direct interest" is not defined in the statute and its meaning remains ambiguous. IBM believes that its foreign subsidiaries have only an indirect and derivative interest in the lobbying activities covered by this Addendum. IBM's foreign subsidiaries do not have the predominant interest in the matters for which IBM has engaged in lobbying activities since the parent company initiates, directs, finances and controls such activities and does not act merely as an agent for one or more of its subsidiaries. However, because the interpretation of "direct interest" remains uncertain, we include a list of the major worldwide non-U.S. subsidiaries of the company. Depending on the meaning finally given to the statutory terms, one or more of these subsidiaries might be viewed as having a direct interest in one or more of the activities covered by this Addendum.
