 The Partially Hydrogenated Fat Research - A emergency removal from the market. The clog in the arteries, remember Kyle the Cardinal's ball player. Ex-president Clinton if he had waited one more week he would hav had a heart attack. Hamburger grease will glob over the heart, partially hydrogenated fat clog in the artery. The pain gets so bad; the pinching, burning numbness you worry about rupturing the artery. It also could cau a slur of phlem like sound in the chest.  
 Petitioning for recognition that black skin and nappy hair is a confirmed illness, not a heritage, not a race. Afti a tribal bath can you identify your heritage.  
 Hair; stray voltage; electromagnetic's spraying in the air and through your pillow. The residue of hard water especially by washing your hair with it. Skin; ecto-smoke, created when the Asexual is forced to eat flesh. Normally they don't eat meat at all. It washes off in the tribal bath; Echinacea; augustafolia and Laurel leaf; bay leaf. The leaf is larger in South America. The blackening of skin started during the exodus when the announcement was made, "Let us Create a New Nation" that was a nation of blackened people. White peop were blackened then taken to Africa for slavery. Moses had married one, saying she is black but comely.

Petitioning for landmark preservation, the true Mt. Sinai mountain of the Exodus, showing the burn or shadow where and how low the cloud was put around the mountain. Where Moses and 7 or 8 other's had climbed to each receive a stone tablet from El. Petitioning for a portrait of the mountain and a inset of the cloud around the mountain to be sold to the public and a copy given to the museum's. As shown on T.V. the Egyptian and American military are protecting the landmark from attack. It seems some one or group in Isreal is trying to : the mountain.

Upgrading secular wiccan and wickering. Separating the imposed semetic entries from the basic secular wic teaching. The attack by a misunderstanding in the Pardum Wiccan School in England. The Asexual's had mistaken them for the New Orlean's Priestesses who are not allowed to practice secular magic unless they exit religion, they are catholic, exit by the clinic of secularization. The Panny Wacket School in Germany was attacked for the same reason. It looked like a scene from the movie, "In the Mouth of Maddness".

Celebrating the return of the Wiccan's. The broom flying wiccan's will have a sit down dinner with the non-bri flying wiccan's. A petition to reverse the oath; other's first.

Heavens' request; every one is to use the magic girdle's to prove you are not afraid of magic, not afraid of th bright light meaning it is granting your wish. Even if some else is wearing it, it will glow. Don't drop the girdle and run. Rhyme. Understand magic is a true institution. The human kingdom is the only kingdom that is the Guardian's of Magic and Magical Object's. All lower kingdom's evolve to the human kingdom. Magic is sect only.

You must make good dedeed wishes or request only. Making good dedeed wishes enrich the atmosphere v goodness and the will to be good. It erradicates dim-wittedness.

Evil wishes or backward request cause a ripple in the atmosphere causing people to do backward things or cause catastrophies to happen, puzzling killing's. Creation is made of magic. Creation made us all including the Universe, therefore we are effected by how magic is used.
