Dear Sir or Madam:

This is in response to your letter of August 18, 2004, seeking clarification concerning the reporting of expenses in the 2004 mid-year report filed on behalf of the American Frozen Food Institute (ID: 2412-12).

Upon review of the subject report, our records, and the guidance to which your letter referred, we have concluded that the report correctly reflected total AFFI expenses related to lobbying activity for the reporting period. We have determined, however, that the referenced lobbying firm inadvertently over-reported receipts for lobbying services rendered on AFFI's behalf. Accordingly, we understand that the firm will submit an amended report.

Thank you for bringing this matter to our attention. Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Leslie G. Sarasin". The signature is written in a cursive, flowing style.
