Re: ID: 47176-455

March 15, 2005

Dear Sir/Madam:

I am writing to follow up on our phone conversation earlier today. It appears that our firm made clerical mistake in the LDA filings for one of our clients, the Elsinor Valley Municipal Water Distri

The client changed its name in late 2003. Instead of notifying your office of the name change, w filed a new registration form in the clients new name, i.e. Nevada Hydro. Beginning with the 200 year-end report, all filings for this client were done under Nevada Hydro.

This explains the issue raised in your letter dated February 24, 2005 (re: 47176-455: missing 200 mid-year report).

The House ID# we used for all filings for this client is 34431021.

I apologize for any inconvenience this oversight may have caused your office and ask that you would kindly amend your records to reflect this updated information.

Sincerely,

Edward B. Stewart
