To Whom It May Concern:

I ask leave to file these year end 2006 Lobbying Disclosure Forms out of time. I have done everything within my technological competence to download the forms, purchase and attach the Digital Signature Certificates, etc. I have traveled to Washington and met with experts in the House of Representatives to try to identify the problem. The best I can say is that somewhere between the Mac platform, the Adobe software and the IdenTrust Digital Signature, there is a glitch. Accordingly, after several months of trying and updating to the latest available technology, I have no choice but to file these manually.

Sincerely yours,

Mitchell S. Pettit
