Re: National Corn Growers Association (ID: 14006-24)
Filing year: 2002; Period/Type: Year-End Termination

Dear Sir/Madam:

I am in receipt of your 5 August 2003 letter to me that contained a 6 May 2003 letter wherein you requested a clarification regarding the above-referenced 2002 year-end/termination report that was filed in February 2003. In particular, you inquired as to whether such report was accurate in that it included a termination date of 1 February 2003 for said client and indicated that all lobbying income pertaining to said client was received prior to the end of calendar year 2002.

My compensation from said client ceased after October 2002. However, there was a possibility that the work would resume in the beginning of 2003. It was not until January 2003 that a decision was made not to resume the work. Accordingly, the official termination date for this client was 1 February 2003 and no compensation was or will be received in calendar year 2003. Thus, the report filed was correct.

I hope that this clarifies the report. I would be happy to provide further information. My telephone number is (301) 263-9445. Please note; however, that my address has changed to that listed above. Perhaps, that is the reason why I did not receive your May letter until you sent it with the August letter.

Sincerely yours,

Kellye A. Eversole
President
