Dear Office of Public Records:

This is to respond to your notification to me about my report regarding the American Chemistry Council. You asked that I respond to Line 16 on the lobby registration form for ID 30470178 however since there is no Line 16, I am assuming your office meant Line 12. I want to report that the issue I currently receive income for and address for this specific client is Class Action Reform Legislation in both the House of Representatives and United States Senate. Please make this addition to this report and I apologize for any inconvenience I may have caused your office.

Sincerely,

Christine Warnke
