To Whom It May Concern:

This correspondence is in response to an unsigned letter dated October 7th, 2003 sent to me from the U.S. House of Representatives, Office of the Clerk regarding my 2002 Year End Lobbying Report. It stated that line 15 on page six of the Nuclear Energy Institute report (ID: 31383 05) was left blank.

After reviewing my copy of the report in question, I realized that page six was included in error. There should not have been a page six turned in to your office. I apologize for any inconvenience this may have caused you.

My assistant, Wade Powers, called the Legislative Resource Center on October 16th and explained these circumstances to Mr. Peter Johnson. Mr. Johnson instructed Wade to have me send this letter to your office.

If there are any questions, or I can provide further information, please contact me immediately at the above address and phone number.

Sincerely,

Richard F. Hohlt

CC: Secretary of the Senate
