Re: General Electric #34101011

42785-11
2001-YREND-AMDT

To whom it may concern:

As requested by the Legislative Resource Center, this letter serves as notice that the 2001 year end report we filed for General Electric should have been noted as a termination report as the lobbyist listed on the report (Philip Cummings) no longer works for The Accord Group. His employment ended during the reporting period. Mr. Cummings continues to lobby for GE. His reports are now being filed from his new address in Austin, Texas. Please let us know if you need additional information. I can be reached at 202-289-9800.

As of 1/1/2002, Mr. Cummings should not be listed on any of our registered lobbying reports as lobbying for The Accord Group.

We apologize for the error and any inconvenience this may have caused.

Sincerely,

Peggy Hartness
Office Manager
The Accord Group
