Dear Secretary of the Senate:

Enclosed are amended lobbying reports for the period January-June, 2005. \ originally submitted reports relating to our clients with the box for item 11 uncheck – thereby indicating that lobbying activity had occurred – while the box for numl 17 was checked – thereby indicating we had no lobbying contacts for the peri We took this approach because members of the firm had engaged in “lobby activities”, such as the preparation of background documents for our clients to u in making lobbying contacts, but no one from the firm had made a lobbying conta

However, following up on a notice of an erroneous filing, we were told by somec working either in your office or the office of the Clerk of the House that we sho submit amended reports, checking item 11, “No Lobbying Activity,” and providi only page one of the report. Apparently this advice was based on the notion th without a lobbying contact, there could be no lobbying activity. We did as instruct However, we have since learned that this advice was incorrect and that the for we originally filed were completed correctly. Hence, we are now submitti amended reports that reflect our original approach. These reports are submittec paper format because they relate to a period for which this format was permitte

Thank you for your assistance with this matter.

Sincerely,

Lunette Arledge
