Concerning the Problem Report for Payroll and Legislative Procedures; "the argument" to finish up the assignment and last step to actual payroll.

Mastercharge switched the procedure from the finance department transferring the employee by phone to a Mastercharge line of which a voice will ask for your password, [you created from the Congressional Budget c this must be verified since I have not gotten that far].

This phone is switched off. The payroll clerk will switch you there anyway. I called Mastercard concerning the procedures she asked for my name, checked and found my name is not on the list, she is requesting payroll fill in the form. The form is on the internet at mastercard.com/corporate click on "government public sector" under "find a card program" click on "click here", this form can be verified with master card.

The payroll clerk refuses to fill in the form. This hold up is blocking all legislation including Mag/Lev and the clinical trials.
