I have not received the necessary Treasury payments back on other invoices which I have as still due to me and my companies from the finance office of Public Health Service and another office of State Department.  Filing Period 2004: Registration

Dear Sir:

Enclosed is an updated registration for me, Sandra Lynn von Loetzen Bennie, President, Administrator and Owner of the above companies.

Please forgive the delay in sending this annual registration. A family member has been in critical care in the Hospital.

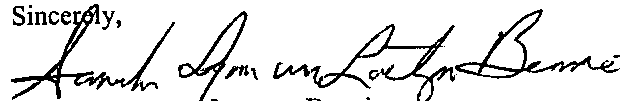

I have been working with studying and research for my companies so that I may continue to work as a Lobbyist for other companies on selected issues. Presently, I am working with my own companies on the issues presented in my Lobbying Report. There is much more that I need to do. What I have been working with has taken more than 20 percent of my time. The monies I have due to me are still receivables since am working for my own companies.

I am also an excellent Recruiter and Administrator of Contracts. I have an excellent reputation as the owner, President, Customer Service Manager and Administrator with my Personnel Placement Company since 1990. I placed Personnel with the Federal Government. Prior to that I worked with the Department of Justice and the Superior Court of Washington, D. C. Enclosed is my Capability Statement

I was hurt in my position as a Top Secret Facility Security Officer for my company in 1997 and another time prior to that time. Since then I have been recuperating and working with studying and research as a Lobbyist as well as a Writer and Consultant. My consulting work has been keeping updated the information which has remained classified in National Security since that period of time.

If I may be of assistance in any of these areas, please advise.

Sincerely,

Sandra Lynn von Loetzen Bennie
 President Administrator Owner
