To Whom It May Concern:

Mid-West Electric Consumers Association is late in filing the Lobbying Disclosure 2USC 1601 & 1612 because the company moved and files were lost or stored and became aware that the report had not been filed for the end of 1999. A late report and letter was then filed. It has been and oversight that the January 1, 2000 to June 30, 2000 report was not filed. We thought we had taken measures to insure that this would not happen again. We regret that it did occur and are quite certain that it has been remedied.

Thank you for your patience.

Sincerely,

  
Thomas P. Graves
