Re: FIBROWATT LLC (53700-12)

Ladies and Gentlemen:

2000 MID YEAR
TERMINATION

Please accept my sincere apology for failing to report that the above referenced company did not ask me to provide them with any services. If and when they ask for assistance in the future, every effort will be made to promptly and properly file with your office.

It is my intent to comply with the rules. If you could advise as to whom, how often and what information you'd like reported, I would be happy to share that information with your office.

Again, please accept my apology for any inconvenience this over-site may have caused

Sincerely,

Greg Langmo
