Re: Lobbying Registration

I am attaching a Lobbying Registration for a new client for Douglas J. Franzen (Se ID 5538212). Due to an oversight, Mr. Franzen did not activate his password. About a m ago he requested that it be activated but we have not heard anything back. Since we are waiting for the password, we would like to submit this paper Registration since we are unabl submit it electronically at this time.

The purpose of the original request for password was to file a year-end LD2, which I also enclosing for submittal. Once we receive the password, we can resend them electronical that is what you would like us to do.

Please forward the password to Mr. Franzen at your earliest convenience. Thank you.

Very truly yours,
