#16. Specific lobbying issues.

H.R. 3976, PUCHA – Pursue enactment of legislation which would reform/repeal PUCHA consistent with previous SEC recommendations. Promote the separation of PUCHA as a securities statute and seek to obtain committee approval of a stand-alone bill. Strive to ensure that additional agendas/issues are not successfully attached to a bill. Continually educate members on the lost efficiencies and opportunities that result from continued enactment of this law.

S.R. 621, PUCHA – Pursue enactment of legislation which would reform/repeal PUCHA consistent with previous SEC recommendations. Promote the separation of PUCHA as a securities statute and seek to obtain committee approval of a stand-alone bill. Strive to ensure that additional agendas/issues are not successfully attached to a bill. Continually educate members on the lost efficiencies and opportunities that result from continued enactment of this law.

H.R. 655, Continuously educate members on all issues having potential national, state and local impacts with respect to any legislative or administrative effort to modify existing Federal Electricity law. Pursue initiatives that are favorable to the markets in which the Company operates as a means to maximize shareholder value and provide all classes of customers with reliable service at reasonable prices. Actively manage issues/initiatives which may negatively impact service, price, shareholder value or the operating efficiency of the company's electricity system.
