16. Specific lobbying issues *Add page to continue specific issues description for this issue*

No add. lobbying issues for this report. I have been working with my General Motors Airbag Explosion case which explosion happened without a collision. Unfortunately, I lost my Motion because I did not have a specific Expert to identify the manufacturer's defect within the Airbag even though my Full coverage with Allstate Insurance did not pay for anything. They said it was the full responsibility of the Manufacturer when your airbag explodes and there is no collision. I am filing an appeal if GM will not pay for the medical dental and repair bills that occurred Feb. 24, 2003. This is a new lobbying issue.

17. House(s) of Congress and Federal agencies contacted None House Senate Other

I have only contacted the same office at DoState in reference to the issue of non-payment of overlooked invoices when I placed classified personnel in that Agency. As a rule, the invoices were paid. For some reason, the invoice were identified as not paid by that individual office; I wrote to the contracting specialist assigned to help me. I even asked your office for a budget to help. I have not heard back as to what happened to the money I was supposed to receive for placement of my personnel. I am the only owner I am a sm.woman owned co.
